TIME WAITS FOR NO MAN

Time is the greatest asset a man can possess. Without time man can do nothing.

Man's existence is measured by time and progress. Man cannot stop or turn the hands of time back. He must make the best of every moment.

When we are young, time is not important. As we grow older time grows more important, and finally it becomes of the essence.

It is the time during our high school years that this book deals with.

Since time cannot be captured or preserved, it must be relived in our memories.

The goal of Round-Up 68 has been to serve as a reminder of such memories.

It is hoped that the memories preserved in this book will remain with us throughout our lives.

Round-Up '68 Honors Mr. Gilbert Lange

There is hardly a person at Alamo who does not know the smiling face of Mr. Lange.

Although he has been with the school only four years, his never-tiring service to the school has been outstanding.

His varied duties include being head of maintenance, electronics teacher, and bus driver.

In sincere appreciation of his contributions to Alamo we proudly dedicate the Round-Up '68 to Mr. Lange.

Barbie,

Well Kid, needless to say's been a short and wonderful year. The good times will never be forgotten and there weren't really too many bad times. So — all in all it was great and I've got people like you to thank for it.

You're a wonderful person Barb and you've got an outstanding personality to go with it. I'm sure someday you'll find all the happiness in the world — which a great girl like you really deserves.

Thanks so much for all the support you gave the Mustangs this year. Keep the great spirit and maybe A.C.H.S. will be State Champs next year. That title rightfully belongs to us — in football and basketball - so I hope everyone works for it in 68-69!!

I guess words will just never be able to say how much I appreciate all you've done for me. There's been some pretty rough spots in the road and I imagine there will be a few more but you sure helped to smooth it out. Like they say "All good things must end" — so's time of this. It was coming eventually so I don't know why it's such a shock. At any rate Barbie it's really been great and you've helped to make it that way.

Do me one last favor — Keep a look out for that brother of yours. He's a great guy and God only knows that he deserves a lot more than I could ever give him!!

Well, I guess it's time to say good by and thank you again for a wonderful Senior year. Take good care of ole H.C.H. God Bless You Both.

Love Always,
